

A street scene in Havana, Cuba, featuring colorful buildings in shades of pink, yellow, and blue. Palm trees line the street, and a person is visible sitting on a bench. The scene is framed by a white, hand-drawn border.

2.02 ANCIENT EGYPT RIVER CIVILIZATIONS

THE VALLEY OF KINGS

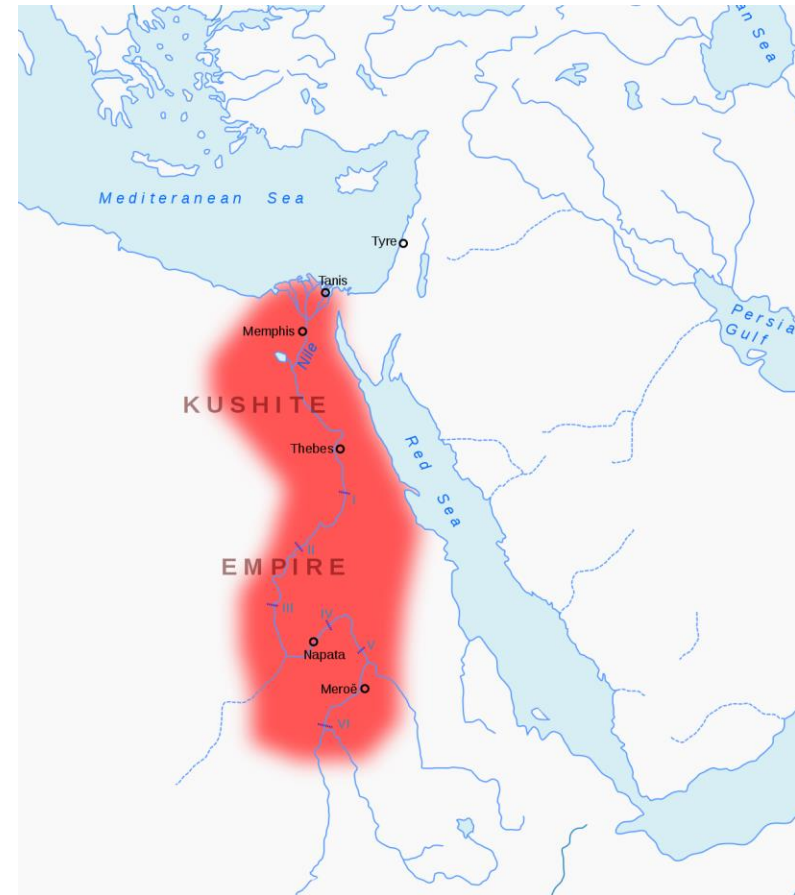

- The valley of kings was built by Thutmose he built this valley to protect or hide his tomb from tomb robbers and about 62 different peoples or Kings tombs are in this place.

HOW I WILL DISPLAY

- The valley of kings- The way I would showcase this item is that I would put a picture up that has the valley of kings in it and at the bottom of the picture I would explain why it was built who built it and the time it was built
- The new kingdom period- The way I would show case this would be that I would again put a picture of the social structure in the new kingdom period then again at the bottom I would put what it is and whats on it
- Tutankhamen the youngest pharaoh- The way I would showcase this is that I would have a prop tomb of his tomb and have a prop mummie in it and explain what's inside it and who is inside it.
- Ahmose re- conquereing a part of nubia- The way I would showcase this is I would put up a picture of the part of nubia he conquered and explain what it is and how he did it and who did it.
- Hatshepust the first female pharaoh- The way I would display this is that first I would give the tour guides how to explain it then I would have a statue of her head in the meseum.
