

My Childhood Best Friend

"The name is Ellie Nova Aspen. Let me ask you a question. Have you ever lost your childhood best friend? Well, I have. His name was Ashton Apollo Woods. Let me tell you about my life."

"I grew up, in a town, called Stone Valley, Arizona. A town of 1,000 Alpha's. For those not familiar with mythical creatures, I am an Alpha, which is a Human-Wolf like kind of species."

"While I was growing up, I had best friend Ashton. He and I would do everything together! We would go on hikes, build forts, and eat animals together. Did I mention Alpha's eat small animals and drink human blood?"

"Ashton and I were inseparable, which made it so difficult when I had to move away. Three years passed, and Ashton and I grew apart, we used to write every week, then it went to every month, then once a year on christmas."

"But, this past christmas, we both failed to send a card. Summer break just ended, and I started my first day of high school. I was afraid at first, and because I didn't know what to expect. I made a friend, her name is Harper." *The next day*

"Ugh, not again..." *Ellie stands up, and gets dressed, and Harper calls* "Hello? Who is this?" *Ellie said carefully* "IT'S ME HARPER!" *Harper screamed on the loud speaker* "Damn, you don't have to scream! My ears are ringing now!"

Ellie said "Well, sorry, I'm not used to having Alpha friends!" *Harper said back* "Also, your going to be late! So, get ready!" *Harper said bossy* "Okay, okay, I'm coming! I'm out of my house now, see you in a couple minutes!"

***Ellie siad hanging up the phone* "My god! Humans these days! *She runs to school, and Harper was there waiting at the entrance* "You are just in time, let's go!" *Harper siad, dragging Ellie to the classroom, the bell rang* "Phew!"**

Ellie siad, exhausted from all the running, then the teacher came in* "Hello students! We have two new pupil's coming to our class today! Meet Ashton and Aiden! *The teacher siad, when Ashton and Aiden came into the room

"Hey, what's up, the names Aiden. I am Ashton's older bro, and I hate school." *Aiden siad, then taking a seat next to Harper, which was blushing hard* "Hi, my name is Ashton..."

***Ashton siad shy, then he took a seat next to Ellie, his hoodie was up, Ellie always had her ears down so she would look human, but she only told Harper she was an Alpha* "So, students, we will learn how to make babies!"**

The teacher siad, dancing around the room, awkwardly, After class all the teens came out crazy except Ellie and Ashton* "It's just how babies are made...my god." *Ellie mumbled* "Yeah, I know right..." *Ashton siad quietly back to Ellie

"Your the new kid right?" *Ellie siad, looking at Ashton* "Y-yes..I am." *Ashton siad, while stuttering* "Well, the name is Ellie. Nice to meet you!" *Ellie siad, putting her hand out* "Well, I'm Ashton.." *They both shook hands*

"Awww! S H I P !" *Harper siad, while they were shaking hands* "We just met Harper...were just friends!" *Ellie siad annoyed, while squinting her eyes at Harper* "Okay, okay, my god." *Harper siad back, rolling her eyes*

"Well, do you wanna be friends?" *Ellie asked, eagerly waiting for his response* "Y-yes...I wanna be friends..." *Ashton said, a few seconds later* "Yay, let's go tell Harper!" *Ellie said, dragging Ashton to Harper*

"W-wow!" *Ashton said, while still being dragged by Ellie, they saw Harper* "Harper! We're real friends now! Harper this is Ashton. Ashton this is Harper! We're going to be the Amigos! Yay!" *Ellie hugs Ashton and Harper*

"Hello, dude's and dudette's. The names Aiden!" *Aiden said, looking at them, they were still hugging* "Well, well, well...look who found friends, the Ashie boy." *Aiden said, while patting his head hard* "Hey, watch it dude!"

Ellie said, standing in front of Ashton "Oh, look, his little girlfriend came to the rescue!" *Aiden chuckled* "Hey! We just met, but you do not call my friends that!" *Ellie said* "Oh please..why would I be scared of you?"

"Oh, I had enough!" *Ellie raises her wolf ears up, and her wolf tail appeared* "Oh wow...how pathetic..." *Aiden raises his wolf ears and his wolf tail appears* "Your an Alpha too?" *Ellie asked* "Yes...I am...and my little brother is too..."

Aiden said, while pointing at Ashton "Wow...." *Ellie said* "Now show your wolfy spirit..little bro!" *Aiden said, standing there, and waiting* "I..fine..I will...do it...this is so embarrassing..."

Ashton said quietly, while removing his hoodie, and his wolf ears and wolf tail appearing "W-wow..." *Ellie said, stuttering and staring at Ashton* "Awww, you got yourself a little crushy!" *Harper said in Ellie's ear*

After school was done, Ashton and Ellie exchanged numbers, while Ellie walked home, she was texting Ashton* "Hey, it's me Ellie, so what do you wanna talk about?" *Ellie texted Ashton

"Well, let's learn more about each other." *He texted back* "Well, can I call you, it's much easier that way." *She texted, and then Ashton called her* "Hi, Ellie! I'll ask you the first question! So, when is your birthday?"

***Ashton asked, waiting for a response* "Well, my birthday is June 15th, and my zodiac is Gemini!" *Ellie said, in a funny voice, then Ashton laughed really hard over the phone, because of that* "You're so funny, Ellie!"**

Ashton said, making a deep voice* "You're funny too!" *Ellie said, while laughing* "Well, I know I am!" *Ashton said, normally* "Well, my brother is home, and he doesn't like me talking to boys. So, I have to hang up." *Ellie said, in a sad tone

"Okay, I will see you tomorrow, Cherry Blossom! Bye!" *Ashton said, then hanging up the phone as fast as he could* "W-wow...did he call me Cherry Blossom? Wait...~" *Ellie just stood there, shocked and pale, then she walked inside blushing*

"What the hell happened to you?" *Her brother, Ethan, asked, seeing her blush* "Oh nothing..." *Ellie said, standing there* "Did a boy talk to you? A cute boy? Jesus Christ..." *Ethan asked and said to Ellie, getting closer to her face, which she did not like*

"YES, a boy talked, YES, he was cute, and YES he called me Cherry Blossom...!" *Ellie screamed in Ethan's face, then she ran in her room, slamming the door behind her* "Is it him? Is it Ashton...Woods? My childhood best friend?"

"N-no...it can't be...well, anyways...I still got to go to bed..." *She siad, to herself, she laid in her bed, and fell asleep, the next day, she wakes up* "Let's go to school, I guess..."
Ellie put her lucky black shoes on, and started walking to school

"I don't care anymore, that I'm going to be late." *Ellie siad to herself, rolling her eyes, then somebody bumped into her* "HEY, watch it!" *She siad, in an annoyed tone* "Oh my god, I'm so sorry, Cherry Blossom. Um, I meant Ellie."

Ashton siad while he picked up her books that she let go, when he bumped into her "O-oh it's you...Ashton...." *She siad, unsure of herself, looking at the ground* "Hey, what's wrong, Ellie?"

Ashton siad, lifting her head up to his face "I-" *Ellie siad, blushing hard* "I am late, that's what is wrong!" *She siad, grabbing her books and running to school* "W-wow, she's amazing..." *Ashton mumbled to himself*

Ashton and Ellie arrived to class late "Where were you students?" *The teacher asked them* "We...did not look at the time!" *They both siad at the same time* "Well, **DETENTION**, both of you, and now sit!"

The teacher siad, and both Ellie and Ashton sat at their seats, after school, Ashton and Ellie were in the detention room "So, what now Ashton?" *Ellie siad, but still not looking at Ashton's face* "Well, first of all tell me, what the hell is going on with you?"

"W-well, I didn't want to explian you this...but...you seem like my childhood best friend.....that I loved and missed every single year...his name was Ashton too..." *Ellie siad, tearing up*

"Well, this thing can only prove it..." *Ashton said, then he was showing a friendship bracelet* "Oh my god...you are him..." *Ellie showed her bracelet that he gave her when she moved away*

"I can't believe I finally found you, Cherry Blossom!" *Ashton said, tearing up* "Ashton Woods, I missed you so much!" *Ellie said, hugging Ashton tight* "I can't breathe..."
Ashton said, in a quite voice

"Oh sorry, I just missed you so damn much!" *Ellie said, after she let go of him* "I always wanted to do this..." *Ashton said* "W-what did you wanna do?" *Ellie asked* "You'll see...just close your eyes..."

Ashton said, then Ellie closed her eyes slowly "Now, finally I can do it..." *Ashton got close to her lips, then kissed her lips softly, then Ellie pushed him away and ran out of the class room*

"Ellie, wait, I didn't mean to!" *Ashton screamed, but Ellie was not stopping, soon she arrived home, and laid on her bed* "W-why did he kiss me?" *Back with Ashton* "Why did I kiss her? She wasn't ready for it...I'm such a jerk!"

Ashton said, throwing his book on the floor, then the teacher walked in "Detention-what the hell happened in here?" *The teacher asked* "W-well, it's all my fault...let me just tell you something...love is dead, dude....well thank you...bye."

The teacher just stood there and stared at Ashton "Teenagers these days..." *The teacher said, rolling his eyes, then Ashton went to her house, then her twin brother, Ethan, came out the door* "What do you want boy?"

Aiden siad, without a shirt on* "Um, you must be her twin brother...right?" *Ashton siad, trying to make a conversation* "Well, do you want to talk to Ellie or not?" *Ethan asked, annoyed* "Yes, I do." *Ashton siad

"Well, come in. With only one exception! DON'T BREAK HER GOD DAMN HEART OR I WILL BREAK YOUR BONES!" *Ethan yelled in Ashton's face, then Ellie came down the stairs rubbing her eyes*

"What is goi- What the hell?" *All Ellie saw was her brother shirtless and Ashton looking at his stomach* "WHAT THE HELL, ASHTON! NOW YOUR ALL OF A SUDDEN GAY?" *Ellie screamed* "No, Ellie, I can explian!"

***Ashton siad* "NO I DON'T NEED A EXPLANTION!" *Ellie yelled, running to her room, Ashton tried to follow her, but then Ethan grabbed his hand* "Just leave her be, and give her time, it always works by me...just write her love song!"**

Ethan siad* "Yeah, your right! Thanks for the advice!" *Ashton siad running out the door, and he arrived home, a jumped on his bed and grabbed his guitar* "Okay, a love song for Ellie...hm....." *Ashton siad, to himself

"My heart skipped a beat, when I saw you the first time....your hair was flowing in the wind...you were proud to be single...but let me say this....I'm in love with you....you make my heart sing..." *Ashton started singing, then sighed, then he saw Aiden*

"Nice song, bro! Is that for Ellie?" *Aiden asked* "No, I don't think so..." *Ashton siad, but then Aiden sat next to Ashton* "Well, you see me as a tough Alpha...but inside...I'm weak...all the girls...that broke up with me...left big scars in my heart..."

"I- always thought you were strong and didn't care about those girls!" *Ashton siad, looking at his twin brother shocked* "Well, I did...but you still have a chance with Ellie! Go get your girl bro!" *Aiden siad, leaving the room, the next day*

"Let's do this!" *Ashton siad, running to school, racing Aiden, and laughing, but then all the mood changed, when Ashton saw a girl kissing Ellie* "WHAT THE HELL!" *Ashton yelled, pushing the girl away* "HEY! CHILL OUT! THAT'S HARPER!"

Ellie shouted, then everyone got silent, then Ashton teared up "Damn I really l-loved you....Ellie...that just stings my heart." *Ashton siad, running to class, of course, Ashton moved his seat to the corner of the room*

"Now, nobody can talk to me..." *Ashton siad, sitting down, and waiting for the class to start, then all the teens came into the room, and Ellie had guilt all over her face, her wolf ears were down low, then the teacher came in*

"Hello, pretty and handsome students! Today we will talk about the female and male body parts!" *The teacher siad, after the class* "Well, that was another weird class!" *Aiden siad next to Ashton* "Yeah it was....."

Ashton siad quietly "Don't let that girl stop your life! She's just another typical girl." *Aiden siad* "Okay...first of all she isn't a typical girl, and second of all, this experience just made me stronger!" *Ashton yelled*

"Well, you think your stronger but your actually hurt deep down inside...I had to learn that the hard way..." *Aiden siad, back, then Ashton noticed something moving* "H-hello, is somebody there?" *He siad, his body was alert*

"Move Harper..." *Someone siad, then Ashton followed the noise, and found Ellie and Harper spying on them* "You heard all of it, didn't you guys?" *Ashton siad, rubbing the back of his head*

"Yesh, we did. Also...I-" *Ellie tried to say, but then Ashton did a shushing noise* "You don't have to say it Ellie..." *Ashton siad* "You don't even know what I was going to say..." *Ellie siad* "Well, I think I know!"

Ashton siad "Let's just say it at the same time!" *Ellie siad* "Okay, three, two, one!" *Ashton siad* "I LOVE YOU!" *They both siad at the same time* "OMG, S H I P!" *Aiden and Harper siad at the same time*

Then Ashton got closer "May I take this kiss?" *He asked* "Yes, you can sir!" *Ellie siad, getting closer to Ashton, the it happend, the kissed slowly but deeply* "Awwww, we should do it too, Aiden!"

Harper siad, getting closer to Aiden "U-um...only if you don't break my heart!" *Aiden siad, unsure of himself* "Oki, let's do it!" *Then Aiden and Harper got closer and kissed, meanwhile Ellie and Ashton were watching them*

"Awww love birds!" *Ellie and Ashton siad at the same time* "Nuuu, you two are!" *Aiden and Harper siad, after their kiss* "Also, that was a dare to kiss Harper!" *Ellie laughed* "Who told you that dare though?"

Ashton asked tilting his head "It was all Harper!" *Ellie siad, pointing at Harper* "Well, it's fine, were a team here, nobody gets hurt or GOD DAMN HEART BROKEN!" *Aiden siad* "Now, let's go to god damn College!" *They all siad, running out of high school*

Hello, I am the author of this book! My name is Sophie Summer Blass, and I am only twelve years old. Thank you for all of my supporters on Question Cove! My next story is called "Friends" so when I finish I hope people will like it too!

In my next book "Friends" I will have to get characters! This book was unfortunately started before I made an account on Question Cove! So, if you want to be in the story, tell me on Question Cove.

Also, type a name on Question Cove because I need characters, so comment or text me on there, the name that your character and what type of species, and gender you want to be!

I am using Canva to make stories. So, if you have an account on Canva, I will invite you to a document, so people can make stories with me! Once again, thank you for all the supporters out there!

I will talk about myself now. Like I said, I am only twelve years and I'm a girl. I love drawing, making stories, and swimming! If you want to text me on Question Cove my account name is AlphaUwU so text me if you want!

I currently live in Florida, which is very nice! Oh, I also have two pets. One is a dog, her breed is called a Rat-Cha, her name is Chimichanga and then I have a cat, which is a sphinx, and her name is Cotton!

I hope everybody enjoyed my book! Like I said, I'm making a new story called "Friends" which is in the making. Thank you for all of your support guys! I love you guys so much, You guys are like family to me! Bye!
